

EOT INVITATION

31.08 -
02.09
2021

Visit EOT and boost your future with three days of cutting-edge event, intense networking, business and new insights!

Experience three days of tech, trade and new insights, redefining what you can expect from an electronics event, and expand your home base in Scandinavia and Northern Europe. EOT has attracted attention internationally and we are proud to present a list of leading Scandinavian and global companies as partners, exhibitors and speakers.

At EOT you can experience:

- Free admission all three days
- Delicious street food and free catering during your entire stay
- The Things Conference on Tour - International LoRaWAN conference
- Full access to world class conferences
- Pitching Contest for Startup companies
- Election of The Best IoT Solution of the Year in cooperation with Nordic IoT Centre
- And much more...
