

INVITATION

We look forward to welcoming you as our guest when we exhibit at EOT - Electronics of Tomorrow, taking place from September 30 to October 2, 2025 at MCH Messecenter Herning, Denmark.

At EOT, we'll be presenting our latest solutions and services - tailored to meet the demands of the future. Come and see how our technology and specialized expertise can strengthen your business and prepare you for the next step.

At EOT, you can experience:

- Exhibitors from across the entire electronics and tech industry.
- Meet experts and decision-makers at **EOTech Talk** - the stage for sharp perspectives and important conversations.
- Upgrade your skills at **EOT Insights!** Hands-on learning, new competencies, and professional power for you and your colleagues.
- At **EOT Solved by...** you can experience short, concrete presentations from the exhibitors - packed with real-world solutions that actually work!
- Get the chance to enjoy EOT's VIP Lounge with full catering throughout the day. Contact your exhibitor at the expo to learn more.
- And much more...

This invitation is valued DKK 140 ex. VAT and provides access to both EOT and HI for all three days.

Use the invitation code at EOT-expo.com

Best regards
